Providing you a way to feel confident about your giving

“I will make you as a light to the nations so that my Salvation may reach to the Ends of the earth.”

-Isaiah 49:6

SUPPORT CAUSES YOU CARE ABOUT

In Luke 12:48 Jesus said

“Much is required from those to whom much is given, and much more is required from those to whom much more is given.” NLT

HAVE YOU ASKED YOURSELF

Why do I give?

How do I know where to give?

Is *where* I give consistent with *why* I give?

How effective is my giving?

What happened with the support I gave to non-profit organizations last year?

Is my giving part of a comprehensive plan?

Can I list the names of the organizations I supported last year?

Would you like SGI to help?

“SGI founder, Doug Lamb, is someone I have come to rely upon for his knowledge and experience in the field of charitable giving. He firmly grasps the tenets of Christian stewardship and has provided us with invaluable counsel in optimizing our family foundation’s grants.”

HOW WE CAN HELP

We listen as you identify your top areas of interest. SGI will position you to engage those organizations that mean the most to you. This means you can have a meaningful connection to the work and people you support. Not only will you enjoy supporting your favorite organizations, but you will know what is happening in each of the ministries you support.

WHAT SGI DOES FOR YOU

We focus on those who give \$50,000 or more a year to charitable organizations. We research your areas of interest to connect you with the right charities you can trust and support with confidence. By developing a plan specifically for you, you will know where your money goes and the people it impacts. Once your annual plan is in place, you will have a comfortable way to turn down unwanted solicitors. It all comes together to provide you with what you need to enjoy who you give to and why you give.

Strategic Giving Initiative

We are an advising service company that provides concise and simple plans to help individuals create, maintain, and maximize the impact and effectiveness of their charitable giving.

SGI was launched as a result of seeing people that I know deal with the unending requests for financial support they received week after week. These friends **wrestled with the burden of knowing who to support and who to turn away**. One friend of mine, while reflecting on the previous year, used the term ‘dysfunctional’ to describe his charitable giving. It seemed to me that something was out of balance and that the ability to make a difference in the lives of others should be a joyful and positive experience.

Charitable giving should not be a burden or dysfunctional. It should be organized, focused, satisfying, and fun. If God has blessed you, and you are committed and ready to enjoy blessing others, SGI can help.
